“ Allan, Dale and Richard:I am sorry for the loss of your mother. Circumstances have taken us away from our loved ones over the years so we could not enjoy being with them on a daily basis. Take those great times when you were together and charish for the rest of your lives. God be with each and everyone, I know that he is with your mother.Love, Gary Jacobson

“ Dale, Allen and Rick, I just wanted to say how much I enjoyed working for your mom. She was a very special person. She would tell me lots of stories about growing up in Gaastra. I loved those stories. We knew a lot of the same people. She was like a grandmother to me. I think of her often and I know she is in a better place now. She will be missed. My deepest sympathies go out to everyone in her family. Sincerely, Lori Abata
