“ Dear Bob and family, I was saddened to hear of your Dad's passing. I have fond memories of your Mom and Dad, specifically the "bridge club" and a daily trip to the grocery store. (Who can forget the potato sausage?) My thoughts and prayers are with you.

“ Poppy will be in my heart forever. He showed me how to enjoy and appreciate life. (And to eat cookies for breakfast.) We love you and you are always in our hearts!

“ The blessing of having "Poppy" as my grandfather was only exceeded by the fact that my sons had an opportunity to know and love him. He was a simple, honest loving man. A great example for the entire family. He is and will be missed until we join him and Grandma Fran in heaven.
