“ Kathy and family - I was so sorry to hear about John. He not only lended a hand when I was subbing at the high school but he showed me how to have a sense of humor when it came to playing Bridge! Remember, Kathy? I was not very good and John always kept it light when we played. " I don't like all this bidding stuff! Why can't we just say...I've got a lot of clubs, how about you!" I know he will be missed by all of you.

“ Campain Family-Was so sad to hear about John's illness & death. I remember coming to the house as a little kid, then ending up with him for typing class. We had a lot of kids of teachers those years. His sense of humor was great. My thoughts are with you.
